Through: <https://app.kodexglobal.com/bitget/signup>

Subject: Request for KYC records, transaction records, a freeze and preservation of records in respect of 1 wallet attributed to Bitget (DEMO/2026/102)

1. This office is investigating the matter referred to above (DEMO/2026/102).
2. Analysis of public blockchain records traced funds from the wallet under investigation (0x8971dd825ba5dd32b60307773f71f6e3efb0eda9 on Ethereum, DEMO/2026/102) to the 1 wallet listed in the table below, which the analysis attributes to Bitget. The table states, for each wallet, the amount traced, the transactions, and the evidence tier and confidence of the attribution.
3. You are requested to: (a) furnish the KYC and account-opening records of the account or accounts that the wallets listed below belong to, or that were credited through them; (b) furnish the transaction history of those accounts, including the deposits listed below, internal transfers, withdrawals and the destination of the funds; (c) freeze those accounts to the extent of the amounts listed below, and confirm the freeze and the balance held; (d) preserve all records, logs and communications relating to those accounts until further notice.
4. Please reply quoting reference VF/REQ/2026/0003.
