DRAFT - OFFICER REVIEW REQUIRED

FOR THE REVIEWING OFFICER. NOT PART OF THE REQUEST.

THW7GJwxsZgZMdVrKTn2brDnNXXguUJt6a carries no label. It is named because it passed on everything it received from this trail to HTX's wallet TFTWNgDBkQ5wQoP8RXpRznnHvAVV8x5jLu; it may be a customer's deposit address or an intermediary.

Naming HTX for THW7GJwxsZgZMdVrKTn2brDnNXXguUJt6a rests on one label (published by the exchange itself): without it the trace does not reach HTX.

Confidence figures are the tool's assessment (label weight, hops and share of funds; calibrated only where a range is shown in the case). They are a lead for investigation, not proof of ownership.

No source was found for HTX's FIU-IND registration. Check whether it is a reporting entity before relying on a reply.

No legal entity name is on file for HTX; the letter is addressed to the trade name.

On file for HTX: Named as Huobi (Sinohope Technology Holdings Ltd, Hong Kong; Huobi Global Limited, Singapore) in FIU-IND's show cause notices of 28 Dec 2023 for operating without complying with the PML Act. Its status since then was not found in a public source.

On file for HTX: HTX asks for requests in English, with wallet addresses and transaction hashes in a copyable format.
